

Riverwoods is approximately 2 hours from wherever you are!

From the EAST - Go to the town of Okeechobee:

Then take Highway 70 west through town and go through the main intersection of Hwy 70 & 441 (Parrott Ave - the corner of Walgreen's and CVS). Go another few lights to the light intersection of Hwy 98 and Highway 70 (Liquor store and gas station on your right). Turn right (north) at the Hwy 98 light and continue for approximately 23 miles crossing over the Kissimmee River bridge. Riverwoods is approx.. 3 miles after the Kissimmee River bridge, and located on the right (north) side immediately after the small **Cornwell road sign. SLOW DOWN!**

Riverwoods is on the north (right) side of the street behind a wooden fence. Look for the Riverwoods Circle Road and Field Lab signs; make a right on the dirt driveway. The driveway forks, stay to the left and go to the third building set back under the oaks and marked with a wooden Visitors' Center sign. Go in and get comfortable – you made it! **If you reach the town of Lorida, then you have gone 10 miles too far!**

From the WEST – Go to the town of Sebring:

Then take Hwy 27 south to the intersection light of Highway 98 and Highway 27 at the southern end of Sebring. Then go east (left) toward Okeechobee on Highway 98. Riverwoods is about 23 miles (and minutes) from the intersection of Highway 27 and Highway 98. Go through Spring Lake and Lorida. Once over the railroad tracks in Lorida we are ~ 10 miles on the left. Go over the Istokpoga canal, watch for the S-65C boat ramp sign and road on the left, then the Lykes Brothers sign on the right, then a small Cornwell sign on right. **SLOW DOWN!**

Riverwoods is on the north (left) side of the street behind a wooden fence. Look for the Riverwoods Circle Road and Field Lab signs; make a left on the dirt driveway. The driveway forks, stay to the left and go to the third building set back under the oaks and marked with a wooden Visitors' Center sign. Go in and get comfortable – you made it! **If you reach the Kissimmee River bridge, then you have gone 3 miles too far!**

From Orlando EAST:

Take the Florida Turnpike South and exit at SR 60 Yeehaw Junction. Head west to US 441, go south on 441 to County Rd 68 West on the right. (IMPORTANT - County Rd 68 WEST is ~ 3 miles past the blinking yellow light marking County Rd 68 EAST). County Rd 68 WEST is on the right just past a closed strip mall. Go right (west) on County Rd 68 WEST until it ends at Highway 98. Take Hwy 98 north (right) and once over the Kissimmee River Bridge, Riverwoods is just over 3 miles on the right. (If you miss the County Rd. 68 WEST, just continue south on 441 to Hwy 70 in Okeechobee. Make a right on Highway 70, go through about 2 lights, and then make a right at the light by the gas station on Hwy 98 toward Sebring.)

Riverwoods is on the north (right) side of the street behind a wooden fence. Look for the Riverwoods Circle Road and Field Lab signs; make a right on the dirt driveway. The driveway forks, stay to the left and go to the third building set back under the oaks and marked with a wooden Visitors' Center sign. Go in and get comfortable – you made it! **If you reach the town of Lorida, then you have gone 10 miles too far!**

From Orlando WEST:

Take US Hwy 27 south to Highlands County past Sebring to the intersection light of Highway 98 and Highway 27. Go east (left) toward Okeechobee on Highway 98. Riverwoods is about 23 miles (and minutes). You will go through the small towns of Spring Lake and Lorida. Once you go over the railroad tracks in Lorida, Riverwoods is about 10 miles on the left. Go over the Istokpoga canal, watch for the signs for the boat ramp on the left, and then the Lykes Brothers and small Cornwell sign on right. **SLOW DOWN!**

Riverwoods is on the north (left) side of the street behind a wooden fence. Look for the Riverwoods Circle Road and Field Lab signs; make a left on the dirt driveway. The driveway forks, stay to the left and go to the third building set back under the oaks and marked with a wooden Visitors' Center sign. Go in and get comfortable – you made it! **If you reach the Kissimmee River bridge, then you have gone 3 miles too far!**
